

Masters Games District 2 Newsletter

Pickleball - Summer 2018

The DeKalb County Council on Aging created this Newsletter. We, at *Masters Games*, would like to say **thank you** to our *Masters Games* competitors, NARCOG, TARCOG, the Council's on Aging, the Huntsville-Madison Co. Senior Center, Pickleball on the Lake, Optimist Park Recreation Center, and the Huntsville Pickleball Club. Without you, our *District Masters Games* Pickleball competition would not be possible.

We only had a couple weeks to advertise the tournament that we held on August 15, 2018. But, we still had a total of **31 competitors** that day. We are very excited that we had such a large number in such a short amount of time! Look below for a full list of winners and a few pictures of the fun.
